### Slide: Welcome

*(Start kid's countdown once all classes are present.)*

Hey kids! Welcome to Kid's Church. I'm so glad you could be here today.

### Slide: Series Intro

Before we get started, let's take a few minutes to talk about good advice we've heard. Good advice is when someone tells us to do the right thing that helps us or someone else. Who's heard some good advice from their parents? (allow kids to raise hands) Let's have a few kids share that advice. (allow kids to respond). That's some great advice! What's some good advice you've heard from a teacher? (allow kids to answer). Awesome stuff!

In our lesson today, we're going to learn about wisdom. Wisdom is like good advice. The Bible is full of God's wisdom that helps us through life. We'll learn more about what wisdom is and how it helps us in a few minutes.

But first, let's stand and sing a song together.

### Song

*Put Your Hands Up*

Good job! I think God loves hearing all your voices praising him! Now let's say our Big Idea together.

### Slide: Recap

So, what did we learn from the video today? Let's review...

- What is wisdom? (knowing what's right and doing it)
- What is worth more than anything money can buy? (Wisdom)

- True or False: Wisdom will help you as you grow old. (T)

Gaining wisdom starts right now. You don't have to be old like a grandparent to get it. Anyone can get wisdom by getting the right information and then acting on it. So, that means even kids can be full of wisdom. The best place to get wisdom is from the Bible. God is the wisest of all so he gives the best advice. Our job is to find out what God says is right and then do those things. And, if we start that when we're young, we'll be super wise when we're old. We'll be so good at obeying God because we've done it for such a long time.

That reminds me of our memory verse. Let's all stand and say it together.

### **Slide: Memory Verse**

"The wise (point to head) inherit honor (salute), but fools are put to shame (thumbs down)."  
Proverbs 3:35 (Repeat)

This verse reminds us that wisdom brings us a better life. The word in the verse is honor. Honor means other people will look up to us and say we are a smart and wise people. Remember how we started our time today? I asked you about people who have given you good advice. You look up to those people, right? That's who you'll be when you make wise choices in your life. Others will look at you and say, "Wow! They really have their life together. They make good choices and they give great advice! I want to be more like them!"

Now let's all stand and sing one last song together.

*I have decided to follow Jesus*

Okay, let's all say the Big Idea together one last time!
