LIFE OF JESUS

Jesus Heals a Leper

PursueGODkids.org

Lesson Overview

In today's lesson, we're learning about when Jesus healed a leper. Now, don't confuse words here. Jesus didn't heal a leopard. He healed a leper. A leper was a person who was suffering from a terrible skin disease. It made big sores all over the body that were probably itchy and they were definitely gross to look at. So, if a person had leprosy, they were banned from town. They had to live off on their own because other people didn't want to get the disease. Imagine how awful that would've been. You get a terrible disease, and instead of people taking care of you, everyone just ignores you. Well, Jesus didn't respond that way. In fact, one day when Jesus was teaching, a leper approached him. The leper knew that Jesus could heal him so he took a chance by asking him for help. Now, the people with Jesus were probably running away from the guy but not Jesus. He looked right at the guy and said, "I'll heal you." And, guess what? The leper was healed instantly! Jesus is so cool. Kids, this story teaches us an important lesson. Jesus cares about everyone, even the people who feel left out or unimportant. Let's remember that in our own lives and be kind to everyone, no matter who they are.

Big Idea

Jesus cares about everyone, especially those who feel left out.

Key Question

How should we treat others?

Memory Verse

Matthew 8:3 "Jesus reached out and touched him. 'I am willing,' he said. 'Be healed!' And instantly the leprosy disappeared."

 6. (3 min) **KQ: Answer the Key Question.** (Answer: **We should treat others the way we want to be treated.** (This should sound familiar to us. It's the Golden Rule. Jesus tells us that we should treat others the way we want to be treated. So, do you want to be left out? NO! Do you like feeling unimportant? NO! Then, don't treat others that way. Be kind, patient and include everyone.)

 7. (5 min) **EXPLORE: Read 1 Peter 3:8-9. What does this passage say about how we should be and what we should do?** (Answer: We should be kind, gentle, humble, loving and choose not to be mean to a friend who is mean to us. Even though this is hard to do, we should always be kind and treat others the way Jesus treats us.)
