Lesson Overview

In today's lesson, we're going to talk about a conversation Jesus had with a woman. Jesus had been traveling around teaching the people that he came to save the world from sin. One day, he was tired and thirsty and stopped by a well to get some water. A well was like a big drinking fountain. While he was there, he saw a woman all alone. In that day, women didn't go places alone. They would always be with friends. Jesus already knew her story, though. She had made some bad mistakes in her life and people didn't like her for those things. But, Jesus had a plan for her. First, he just talked to her to show her that she had value. Second, he explained who he was and what he came to do. Jesus came to forgive the sins of everyone, including hers. In fact, he compared his love and forgiveness to a refreshing glass of water that when you drink it, you'll never be thirsty again. He called it living water. That woman's life changed that day. She went from being lonely and ashamed for all of her mistakes to having a hopeful future because of Jesus' forgiveness. This is true for us, too. Jesus wants a relationship with us and he'll forgive our mistakes, too.

Big Idea

Jesus wants a relationship with everyone, no matter what.

Key Question

How do we have a relationship with Jesus?

Memory Verse

Romans 3:22 "We are made right with God by placing our faith in Jesus Christ. And this is true for everyone who believes, no matter who we are."

Jesus came to fix the problem by dying to pay for our mistakes. All we have to do is put our trust in Jesus and invite him to live in our hearts.)
