Talk About It

1. *What's your favorite part of the video? What's one thing you learned from it?*
2. *Describe the coolest thing you've ever built whether with legos, blocks or with sand on the beach.*
3. *Why is starting with a good foundation important when building a structure? What is likely to happen if you don't start with a good base?*
4. *Why do you think Jesus used a house as an example for how to build or lives? What book provides the best foundation?*
5. *Read 1 Corinthians 3:10-11. This is Paul talking about his job as an apostle teaching the people about Jesus. What are some things we should be careful not to build our lives upon? Who is the only sure foundation for our lives?*
6. *How will you apply this lesson to your life this week?*
