Lesson Overview

In today’s lesson, we’re talking about something called courage. Courage is just another word for being brave. Courage means you can stand up to fear and face it. Think about a fire fighter. When they get a call about a fire, they probably have some fear because fire is scary and unpredictable and there is a chance they can really get hurt. But, they have to run into the fire in order to put it out. They have to have the courage to face the fear and do what has to be done. It’s the same with us. When we’re afraid of going to a new school or trying out for a new team, we have to be brave and courageous, too. But here’s the good news. We don’t have to do it alone. God will help us to have the courage to face our fears. In fact, David wrote a psalm in the Bible that talked about how to be courageous. He was on the run from bad people and he learned how to trust God through it. Here’s what David did and it’s what we should do. He was afraid, he remembered that God was his light. God would show him the way to go. He prayed a lot and asked God for help and was patient and waited for God to give him the strength he needed.

Classroom Agenda

1. (5 min) Let kids start working on Activity Page #1.
2. (5 min) WARM UP: What do you fear more? (choose one from each set): spiders vs. snakes? Heights vs. tight spaces? Alone in the dark vs. talking in front of people? (Tip: We all have fear but the key is learning how to overcome it. God can help us!)
3. (5 min) PREVIEW: Write out the Big Idea, Memory Verse, and Key Question on a whiteboard. Have the kids copy it down on Activity Page #1 (if applicable).
4. (20 min) LARGE GROUP: Gather for songs and videos with other kids. Then return to class to finish this guide.
5. (2 min) RECAP: Read the Lesson Overview (see above).
6. (3 min) KQ: Answer the Key Question. (Answer: We must remember who God is, pray and trust in him. (The God of the whole universe loves us and he’s strong enough to handle anything. So, when we’re afraid and need courage, we need to stop and remember who God is, we need to pray and ask for help, and then we need to trust that he’ll give us what we need to get through it.)
   - Bonus Questions: What should we do to be courageous? Why is God worthy of our trust? 4-5th What are you facing right now that requires courage? How can you rely on God more to face it?
7. (5 min) EXPLORE: Read Romans 8:38-39. Identify all that this passage says can’t separate us from God’s love. How does understanding God’s love give you confidence over the things you fear? (Answer: The tallest building or the deepest hole can’t separate us from God’s love. Not even death can do that. God is with us always and his love is strong enough to save us from anywhere. With God on our side, we have nothing to fear.)
8. (10 min) PLAY: Choose a group activity from Activity Page #2.
9. (5 min) CLOSE: Share prayer requests and pray as a class. Encourage kids to use the Family Guide at home with their parents - and remind them to go online to pursueGODkids.org to find this week’s lesson video.
